

New Recreation Facilities

Do you think there should be new parks, actively used open spaces, or other recreational facilities in North Adams?

- 1) Write a location (specific or general), and the type of park/facility in the spaces provided.
- 2) Add a "dot" if you agree with someone else's idea.
- 3) Space is provided for any additional comments about new recreation facilities.

Type of Facility	# in Agreement	Location
Town common, green area in town center	2	Center Street, Downstreet
	2	Steepleview Plaza
Dog park		Old Water Treatment
	2	Plot next to current Brien Center
	2	Brown Street
	1	Anywhere
		Center of town
Larger outdoor public pavilion	1	Anywhere
City flower gardens	2	Brown Street, old Sprague site Food Bridge Greylock
Community Garden		Heritage Park – empty spot next to river at foot of bridge
Skateboard park	1	“keeps kids out of trouble”
Track		Downtown
		Noel Field
Bike lanes		Throughout Town
Music shed	1	Brown Street
Small playground or park		Behind Windsor Mill in upper lot
		Nothing in this area
		Cliff Street
More and improved fields for women's sports		Around the City
Walking and bike trail		Along the river, especially from downtown to Noel Field, on both sides of the river
		Create a real path along the river between Avon and Brown Streets
Sports facility with rock climbing wall, zip line type activities/obstacles		Skating rink
Pedestrian walkway with period lighting, flowers, etc.		Marshall Street overpass
Green space	2	Steepleview Plaza, “way too much asphalt”
Water fountains		Anywhere (maybe Colgrove Park or center of Main Street median)
