

Please give us your comments!

The North Adams Comprehensive Plan Steering Committee invites residents, business and property owners to review and comment on materials developed for the city's Comprehensive Plan, North Adams: Vision 2030. This process considers the local vision for the next 20-30 years, the city's opportunities and constraints, and then maps out a process for how to achieve the vision incrementally.

Electronic copies of these materials are available for download at www.northadams-ma.gov. Public comments on this material can also be submitted through the Office of Community Development, 413-662-3025.

Do you agree with the vision statements?

Are there any you do not agree with?

Would you add anything else?

Tell us about yourself:

Are you a North Adams resident? Or why do you come to North Adams?

How long have you lived here/come to the city?

What is your age?

What do you like best about North Adams?

What would you like to see change?

Please use the back of this page for additional comments

Please email, mail or drop-off your completed questionnaire to the City's Office of Community Development by Friday, April 13. The mailing address for the North Adams City Hall is 10 Main Street, North Adams, MA 01247; email comments to mgreer@northadams-ma.gov.
